## Information on SVHC substances on the candidate list of the REACH Regulation

Dear Sir or Madam

As downstream user, SIPOS Aktorik GmbH produces products in accordance with (EC) regulation no. 1907/2006 (REACH).

Consequently, we are subject to the obligation of communicating information according to article 33 of this regulation and inform you herewith that our devices include components containing the substance

### **lead (CAS number: 7439-92-1)**

above a concentration of 0.1 %. The reference size is the smallest product within the composed product.

Metallic lead is firmly bound as an alloy component. There is no risk associated with the handling, use or recycling of our products.

Should you have any further questions regarding the implementation of the REACH regulation in our company, please do not hesitate to contact us at any time.

Yours sincerely

SIPOS Aktorik GmbH

Thomas Weber  
Managing Director
